Cool Creations

The creamy memory of an ice cream is captured in an eternal swirl with this stunning Ice Cream lamp. Its translucent matte white porcelain surface invites to the touch, while its sweet melting lines are bathed in a warm and golden glow.

Reminiscent of a traditional paper lantern with a twist, the Ice Cream lamp can be used as a table lamp or hung to create a pendant version. The steel base with golden finish marries perfectly with a pink or blue leather cover that extends to the lamp's top handle.

Each and every Ice Cream comes with an integrated intensity regulator, a rechargeable battery, USB port and cable, making them as versatile as they are beautiful.
