Chandelier Mademoiselle 18 Lights Dancing On The Sand.

Ladies of Light

Coquettish, refined and romantic, Lladró's elegant ladies have now been transformed into the shining stars of the Mademoiselle collection, evoking feminine beauty in a fresh palette of colors.

Light is filtered through the translucent porcelain of vaporous white skirts to project decorative patterns etched on their surface that create a captivating effect.

Delicately crafted petal by petal, floral headdresses are the crowning glory of this Mademoiselle collection.
