Hundreds of Color Possibilities

Lladró's know-how allows the brand to offer a wide variety of decorative techniques — liquid colors, enamels, lusters... — as well as different textures and finishes — gloss, matte, satin... — masters in painting apply the colors with a steady hand, delicately outlining the tiniest detail.

Customized Solutions

Thanks to the peerless control over porcelain, Lladró offers customized possibilities for any décor project with efficient, personalized service and the high standards of quality of all Lladró creations. Each lamp can be adapted to specific needs.

Winter Palace

Winter Palace Chandelier 30 Lights White.

Snow-Frosted Fairytales

When crystal is transformed into porcelain and the fabric of lampshades into lithophanes, the warmth of the light created is multiplied.

Patterns individually etched by hand on the surface of this chandelier make fairytales a malleable reality.

Color replaces the melting winter with the Winter Palace Chandelier—Côte d'Azur, edition, inviting a note of freshness to interiors.

The gold edition of the Winter Palace is even more luxurious, with its regal beads acting as tantalizing reminders of this collection's namesake.
