### GENERAL

LED

IP20

Product name:	<b>Mokuren Chandelier</b>
Collection:	MOKUREN
Mounting:	Chandelier
Finish:	Black
IP:	20
Use:	Indoor
Environment:	Mokuren is the result of the first collaboration between Lladró and Japanese designer Naoto Fukusawa, who is known for combining craftsmanship and design. For this work, Fukusawa has been inspired by the white magnolia tree, which symbolizes eternal bonds, and the striking beauty of its flowers. As the author himself says, "when I saw the flower and thought of white porcelain, its texture and qualities, I automatically composed the idea in my head." Thus, Mokuren was born, a chandelier that combines the essential ingredients of the work of the Japanese artist and Lladró: nature, craftsmanship and design.
Installation and assembly:	Follow instructions of the installation guide
Care:	The luminaires require only a light dusting with a soft or microfiber cloth. Dust and polish the bulbs with that soft cloth before dusting the luminaire itself. Clean the porcelain parts in warm, soapy water. For non-porcelain components use only dry soft cloth. Do not use chemicals.
