### GENERAL

IP20

Product name:	<b>Soft Blown Chandelier (pink)</b>
Collection:	SOFT BLOWN by Luca Nichetto
Mounting:	Chandelier
Finish:	Pink
IP:	20
Use:	Indoor
Environment:	True to form, Nichetto Studio artfully blends playfulness and creativity with everyday functionality in the Afloat suspension lamp. Inspired by the intrinsic ease of summer with its ubiquity of street performers and balloon art, the lamp is composed of a string of porcelain "balloons" pieced together to create the illusion of weightlessness and form the final geometry.
Installation and assembly:	Follow instructions of the installation guide
Care:	The luminaires require only a light dusting with a soft or microfiber cloth. Dust and polish the bulbs with that soft cloth before dusting the luminaire itself. Clean the porcelain parts in warm, soapy water. For non-porcelain components use only dry soft cloth. Do not use chemicals.
