GENERAL

IP20

Product name:	Soft Blown Table lamp (pink)
Collection:	SOFT BLOWN by Luca Nichetto
Mounting:	Table lamp
Finish:	Pink
IP:	20
Use:	Indoor
Environment:	Evoking balloon art and other skillfully hand-blown pieces, the illusion of weightlessness belies the porcelain tructure of the Airbloom table lamp. Drawing inspiration from the airy construction of such items, Nichetto Studio has created a playful but functional object with an unexpected, fanciful quality.
Installation and assembly:	Follow instructions of the installation guide
Care:	The luminaires require only a light dusting with a soft or microfiber cloth. Dust and polish the bulbs with that soft cloth before dusting the luminaire itself. Clean the porcelain parts in warm, soapy water. For non-porcelain components use only dry soft cloth. Do not use chemicals.
