Environment:	Cascade is a lighting collection created in collaboration with renowned British designer Lee Broom, who brings a fresh perspective to porcelain lighting. His concept merges porcelain craftsmanship with a contemporary vision. Inspired by paper lanterns—one of the oldest and most enduring lighting designs—Cascade celebrates the cultural and material roots of these iconic creations.
Installation and assembly:	Follow instructions of the installation guide
Care:	The luminaires require only a light dusting with a soft or microfiber cloth. Dust and polish the bulbs with that soft cloth before dusting the luminaire itself. Clean the porcelain parts in warm, soapy water. For non-porcelain components use only dry soft cloth. Do not use chemicals.
